

Businesses That Use HR Outsourcing . . .

GROW FASTER

Since 2010, employment growth among clients has been 9% higher than other small businesses and 4 % higher than employment growth in the U.S. economy overall

HAVE LOWER TURNOVER

Economy of scale allows a business to attract and retain the best employees by making available better benefits, improved risk management, and comprehensive human resources at an affordable cost

HAVE A 2X'S HIGHER SURVIVAL RATE

Clients spend less on HR administration than similarly sized peers, freeing up money that can be reinvested in the business
